The ceiling fan color can either match the wood beam or any neutral color. Modern farmhouse is all about keeping the place airy and bright from natural light.

## Other Inspiration:

# Window and Curtains Inspo

You can consider changing the window frame to black or white for a modern finished look.

# Window and Curtains Inspo

Black curtain rods with white linen cotton curtains.

Curtain height - you can consider it near the ceiling so the place will look more bigger

# Fireplace Inspo

This is the typical design for a modern fireplace.

# Fireplace Inspo

You can consider adding an accent wall color for your fireplace

# Console or Sideboards Inspo

It can be beside the Fireplace

You can consider adding a clock on the right side of the fireplace.  
Minimal wall decor the better. It will look sophisticated and modern.

# Couch and Lamps Inspo

Choose a lighter shade of color for the main couch and add a pop of colors for the decorative pillows

## Accent Chair Inspo

A dark accent chair adds contrast to the white wall and neutral rugs.

Avoiding loud and too bright colors is a must in the farmhouse look but a little won't hurt.
